To,
The Principal,
Priyadarshini Bhagwati College of
Engineering,
Nagpur.

Dear Sir/Madam,

Greetings from "Chanakya IAS Academy"- Nagpur Centre.

Driven by the philosophy that every individual is born to succeed, Chanakya IAS Academy's direction as an organization is led by its founder Managing Director **Mr. A.K.Mishra**, fondly known as Success Guru. Chanakya IAS Academy - an iconic institution in the field of UPSC preparation, committed to change the education landscape of by delivering world class preparation for students aspiring to join Indian Civil Services.

Chanakya's comprehensive approach towards **IAS preparation** has received an overwhelming response over the last two decades and has led to the pan India presence. It gives us immense pleasure to share the scintillating facts about Chanakya that, this year it has **5 students in top 10, 42 in top 100 and in total 280+ selections in UPSC-CSE exam conducted in 2018. In last 26 years of existence, Chanakya IAS Academy has demonstrated excellent & extraordinary results every year with more than 4500 +selections in IAS, IPS, IFS, IRS....So far!**

Importance and need for civil service need no introduction, but rather intriguing aspect is, student's community at large are not much attuned towards civil services as career option. Though, close to 100 students from Maharashtra this year have featured in All India selected list but the scope is much more given the huge pool of meritorious students and best possible education infrastructure that we have in Maharashtra. Every year, scores of students eventually opt for wide array of career avenues but shy away to go for a career in Civil Service which probably can give our students the best possible opportunity & satisfaction to serve their own country. Therefore, we strongly believe that it is our duty and responsibility to create awareness and provide career direction to as many students as we can and serve our society and country in our own way.

During or end of college life for a student would probably be the right and opportune moment to strategize and explore right career option. Therefore, proper guidance and dollops of motivation is actually what is needed to unleash the true potential of a student. And if it the question of serving your nation, then nothing could be more deserving than this! Therefore, we hereby intend to propose a special and free (**"Awareness cum Motivational drive in Maharashtra for UPSC -Civil Services Examination!!"**) - session with students of your prestigious institution with a sole objective to promote career in civil services which I am sure will go a long way to create future leaders with active patronage and initiatives from your side.

The Webinar is basically Consist of two sessions i.e. Motivational and Technical.

1) **Motivational Session** : Motivational Session consist of Non Technical things such as inspirational Stories, Videos, Examples, Time management, Personality development, Communication Skills, Interpretation Skills, Smart Study Patterns etc.

2) **Technical Session** : Technical Session consist of the facts of the exam Preparation, Syllabus, Method of Preparation, reference books, How to read Newspaper for preparation, Interview related facts, How to prepare for Examination Etc.

We sincerely hope to get your genuine co-operation and all-important permission from you for conducting the awareness campaign at your premise at the earliest.

Wish to hear from you soon.

**Regards,
Chanakya IAS Academy,
Nagpur Branch.**
