Subject – Alumni Contribution towards Purchase Speed Suit of Go-Kart for Students of  
Priyadarshini Bhagwati College of Engineering, Nagpur

Respected sir,

I hope this letter finds you in good health and high spirits. I am Soumya Gudadhe, a former student of Priyadarshini Bhagwati College of Engineering, Nagpur. I am graduated from the Mechanical Department in the batch of 2021-22 and was also a member of the esteemed Team Mecheetah 1.0. It gives me immense pleasure to write to you today regarding the subject of alumni contribution.

As an ex-team member of Team Mecheetah 1.0, I understand the importance of support and motivation in achieving success. I believe that it is the responsibility of every alumnus to give back to their alma mater in any way possible. Therefore, I would like to take this opportunity to contribute to the development of the college and its students.

I would like to donate a sum of Rs. 40000/- towards the purchase of a speed suit for the students of the college. I am sure that this contribution will go a long way in motivating and encouraging the students to perform with more zeal and enthusiasm.

I am proud to be associated with Priyadarshini Bhagwati College of Engineering, and I believe that it has played a significant role in shaping my career. It is my humble way of expressing my gratitude towards the institution and its faculty for their constant support and guidance.

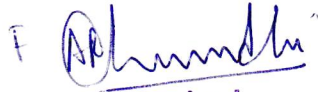

I would like to thank you for providing me with this opportunity to give back to my alma mater. I hope that my contribution will be of some help in the development of the college and its students.

Thank you, sir.

Your Sincerely,

  
Soumya Gudadhè
