**Report on "Session on Importance of Samarpan Meditation"**

1. **Event Title** : Session on Importance of Samarpan Meditation for spiritual development of students
2. **Event Date** : November 24,2022
3. **Event conduction duration** : 2 hours
4. **Event venue** : Auditorium Hall, PBCOE Campus
5. **Resource Person** : Mrs. Jaya Awari,  
Samarpan Meditation, Nagpur
6. **Number of Attendees** : 202
7. **Objective** :Meditation can give a sense of calm, peace and balance that can benefit both emotional well-being and overall health. The main objective of meditation is to relax and cope with stress by refocusing attention on something calming. Meditation can help to stay centered and keep inner peace.
8. **Outcome** : Spiritual education develops deep thinking and questioning the way in which the body works. Students are encouraged to analyze and seek ways to improve performance. Students who practice meditation regularly showed a dramatic improvement in their IQ levels.

Respected Sir,

**Greetings from Rubicon!**

It is my pleasure to introduce **Rubicon**; **Rubicon** was incepted with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing, their curiosity and intrinsic motivation for learning.

**Rubicon's** "Connect with Work" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This program is being launched with limited no of colleges in India.

**We are looking forward to partner with your institute and plan to run the below initiatives:**

1. 24 hrs. classroom training on Interview Skills ( Details mentioned below)
2. Industry visit of students to various organizations.
3. Post Placement Mentoring and Career Counselling for one year.

In Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette
5. Grooming
6. Group Discussion
7. Personal Interview

8. Assessment will be conducted on Group Discussion and Personal Interview.

Note: We would like to clarify that neither the student nor the college is required to pay anything for this program.

Regards,

Soniya Patil

## DEPARTMENT OF CIVIL ENGINEERING

Date: 15/03/2023

The Civil Engineering Department of Priyadarshini Bhagwati College of Engineering Nagpur organized Expert lecture on “Emerging And Necessary Softwares For Civil Engineers As Per Job Perspective” dated 15/03/2023. The webinar was delivered by Mr. Akshay Dhoble, Software Trainer and Design Engineer, CAD Desk Pvt. Ltd. Nagpur.

The expert lecture was organized under the guidance of Hon'ble Principal Dr. N. K. Choudhari and HOD of Civil Engineering Department Dr. Ranjeet N. Patil along with the staff members, students have taken hard effort and initiative under the guidance of all civil engineering faculty members.

Total 54 students of B.E (Civil Engineering) along with Faculty members attended this expert lecture.

## NOTICE

All the students of mechanical engineering department are hereby informed that Internal quality assurance Cell of PBCOE has organized Seminar on “**Application of 3D Printing in Bioengineering**” by Dr. Mahesh B. Mawale, Associate Professor, Mechanical Engineering, Kits Ramtek. under the MOU between PBCOE, Nagpur and KITS Ramtek. The session will be conducted on **28<sup>th</sup> April 2023** during 11:00 am to 12:30 pm in the Seminar Hall (Fourth Floor). Students from mechanical are encouraged to take benefit of this seminar.

### Seminar Report on “Application of 3D Printing in Bioengineering”

1. Event Title : Seminar on “Application of 3D Printing in Bioengineering”
2. Event Date and time : 28<sup>th</sup> April 2023 at 11:00 am to 12:30 pm
3. Event venue : Seminar Hall (Fourth Floor)
4. Event resource person : Dr. Mahesh B. Mawale, Associate Professor, Mechanical Engineering, Kits Ramtek.
5. Name of Event Coordinator : Dr. S. P. Daf , Asst. Prof. Mech. Engg. Dept & IQAC Member
6. Number of students : 80
7. Objective : The primary objective of this seminar is to explore and disseminate knowledge about the cutting-edge applications of 3D printing technology in the field of bioengineering. Through a series of informative sessions and discussions, attendees will gain a comprehensive understanding of how 3D printing is revolutionizing bioengineering, from tissue engineering and prosthetics to drug delivery systems and personalized medicine.
8. Outcome : The seminar aims to achieve several key outcomes. Participants will leave with a heightened awareness of the innovative applications of 3D printing in bioengineering, potentially inspiring them to explore similar collaborations. They will also gain in-depth knowledge of the technical aspects of 3D printing in bioengineering, including materials and techniques. The event will foster cross-disciplinary connections among attendees, encouraging interdisciplinary collaboration and research partnerships. Moreover, participants will develop problem-solving skills by learning to apply 3D printing to complex bioengineering challenges. Ethical considerations related to 3D printing in bioengineering will be discussed, promoting responsible practices.

**PRIYADARSHINI BHAGWATI COLLEGE OF ENGINEERING, NAGPUR**

**Department of Computer Science and Engineering**

**Legitimate From: 1<sup>st</sup> Feb 2023 to 30<sup>th</sup>Jan 2028**

**Automechano Technologies, at Plot No 9, Makde layout, Bhande Plot Square, Umrer Road, Nagpur-09, Software & Web Development Company also working as an authorized Global IT Microsoft Training Centre & APTC on behalf of itself and acting through the Director,**

**AND**

**This Agreement made and entered into on this 1<sup>st</sup> day of Feb 2023 between PRIYADARSHINI BHAGWATI COLLEGE OF ENGINEERING, (hereinafter called "PBCE" which expression shall include its successors and permitted assignees) with its registered office at Harpur Nagar, Near Bada Taj Bagh, Umrer Road , Nagpur-24.**

**The aforesaid Institutions are hereinafter referred to individually as *institute* and collectively as *institutes*.**

**It is the statutory object to disseminate advance knowledge by providing instructional, IT Training and Placement facilities in such branches of earning as it may deem fit and it shall endeavor to provide students and teachers the necessary atmosphere and facilities for the promotion of:**

## 1. OBJECTIVES OF THE MOU

The objectives of this Memorandum of Understanding are:

- a. To endorse interaction between **Automechano Technologies** and PBCE in jointly beneficial areas towards students Technical Development.
- b. To provide a formal basis for initiating interaction between **Automechano Technologies** and PBCE.
- c. To endorse and enhance academic interest between **Automechano Technologies** and PBCE.
- d. To provide advice for implementation of Quality & Authorized IT & related Communication education at PBCE.
- e. To encourage bright students of PBCE to come for Internship/Industrial Visit/IT Education at **Automechano Technologies**.
- f. To endorse IT, Communication, Robotics, & Electronics related education activities between institutions.
- g. To make Students eligible & provide them platform of International Certifications towards IT and Communication.

## 2. PROPOSED MODES OF COLLABORATION

**Automechano Technologies** and **PBCE** (For Department of Computer Science and Engineering) propose to collaborate through the following:

- a) Non-Commercial Cooperation and Promotion of Education and Training in areas of mutual interest.
- b) Any other below mentioned appropriate mode of interaction agreed upon between **Automechano Technologies** and PBCE.

### Technical Areas of Collaboration

- a) A continuing IT Quality improvement programme to improve quality of Information Technology education at PBCE through short-term/long-term certificate courses at **Automechano Technologies**, Faculty/Guide of **Automechano Technologies** could also be sent to PBCE for necessary assistance and guidance.
- b) Provide academic interaction by delivering special lectures at PBCE on topics of relevance to IT industry.
- c) Provide necessary help in organizing Workshops/Conferences Programs at PBCE for enhancement of skills for students of PBCE.
- d) Provide necessary support for establishment of IT Infrastructure as needed for any IT focused activities and Webinars.
- e) Usage of Academic Infrastructure of PBCE for conducting Lectures/Workshops/Technical Seminars.
- f) To provide Internship programme/Industrial Visits for students of PBCE under Course programme of **Automechano Technologies** Nagpur

### α. Industrial Visits for students – Semester wise

We believe that, **Industrial Visit** is considered as one of the most tactical methods of teaching. It provides students with an opportunity to learn practically through interaction, working methods and employment practices. Moreover, it gives exposure from an academic point of view. **Automechano Technologies** also understand that, Industrial visit is a part of an Engineering course, during which students visit companies and get insight regarding the internal working environment of a company and how a company functions, as well as useful information related to the practical aspects of the educational course which cannot be visualized in lectures.

### β. Internship & Live Project Development using Industry Platform – Software Programming

#### Summer & Winter Internship:

An Internship at **Automechano Technologies** provides valuable experience to all interns. As per **Automechano Technologies** experience, it helps candidate to gain a better understanding of their knowledge, likes, dislikes, and wants for the future. It also gives them valuable hands-on experience and allows them to apply what they've learned as per their interest to a certain career field.

Interns can join & complete this Internship only at Company premises. Duration of this Internship is 6 Weeks to 8 Weeks depending upon the Company Schedule. Interns may have to spend at least 2 Hrs / day during session. Summer Internship Starts in the Month of May & June while the Winter Internship sessions starts in the month of November & December. Industry Speakers, Tech Guides and Developers covers all the sessions in Internships.

### **Live Project Development:**

The inventiveness was created keeping the issues and concerns of the IT Industry at one end and challenges of the Educational Institutions at the other end. As part of this initiative, **Automechano Technologies** has been nurturing the IT Industry- Educational Institutions interface through Live Industrial Projects and Real Time Development to ensure better synchronization between IT education and the industry requirements. Besides providing projects from our sister concern **Automechano Technologies** we also have association with many IT companies who provide live modules to us.

As far as the current IT industry is concerned **Automechano Technologies** believes supply is more than demand. Our Project Development assignment helps Students to get more practical knowledge than theoretical. The industry needs hardcore coders who will deliver quality projects adherence to timelines. Not only that current IT industry is looking for people who thinks out of box and can practically implement ideas. The significant part by doing an academic project is that the students will learn the technology thoroughly and should be able to deliver any project in that language. The most important phase of a technical student is his ability to display his/her knowledge practically.

This bond will help PBCE students to get entry for very nominal fees. Students/ Candidates would bare their own expenses for this facility. Likewise, Internship, Project trainees can join & complete this work only at Company premises. Duration of this Project work is 12 Weeks to 24 Weeks depending upon the Company Schedule. Trainees may have to spend at least 4 Hrs / day during session. Trainees would have to go through necessary training and then need to finish tasks allotted by Team Leads and Developers.

### **Technical Seminars / Workshops**

**Automechano Technologies** always give preference to keep the students well acquainted with contemporary issues in IT & its related Industries and to keep pace with the changing environment, seminars/ workshops play an vital role for development, we would organize this on Every Friday or Saturday, where our Industry experts will deliver Guest lectures, Speeches and demonstrations on recent trends (Topics and Modules wise) related to Information Technology for faculty members and students. In order to improve students' developing knack of handling interview & communication skills and to provide strong foundation of Computer languages communication workshops would be regularly organized as per mutual schedule which would also include building positive attitude, positive thinking, time management, developing interpersonal skills, developing listening skills and participation skills in group discussions etc. (For Topics, take ref of resources mentioned in para 2-d).

### **δ. IT Training's (Under- IT Infrastructure, Client & Web Based Software, Database, Cloud, Mobile Apps, etc)**

Here, IT Training is an Industrial training, method by which a student can undergo somewhat theoretical and more on practical training with an industrial undertaking having specified interest. Industrial training can be commenced on regular basis during semester of students' academic. Industrial training can be performed in a Network Infrastructure, Software, Database Management, Artificial Intelligence, Mobile Apps Development and Hardware domains.

### **Resources as per IT International Standard and requirements are currently available for:**

**Hardware** – CompTIA A+ and Network +

**Connectivity & Security** – Devices & Connectivity, Using Live Cisco Routers & Switches, ICND, CCNP with Routing, Switching & Troubleshooting

**Network, System & Securities** – Microsoft Solutions Associate & Engineering, Exchange Server

**Wireless Tech** – Essentials of wireless communications with Antennas, Wireless Routers and other Devices

**Microsoft Platform** – C#.Net, Active Server Pages. Net, XML and SQL Server (back end), Silverlight, WCF, Etc

**Oracle Database** – Oracle SQL Expert, Forms Apps, Back up & Recovery, Performance & Tuning, latest Administration I & Administration II Tracks

**Open Source SW Platform** – Using Core Java, Advance Java and Java 2 Enterprise Edition (J2EE)

**Advance Technologies** – Struts, Eclipse, Hibernate, etc

**Web Tech** – PHP and My SQL

These modules as resources are subject to change as per the industries guidelines & up gradations and also can be added and/ or remove.

ε. **International Certifications Through Prometric & Other Test delivery partners**

Global Need- Automechano Technologies is an International Test Delivery Centre and helps Students as well as working professionals for scheduling and delivering International IT Exams also we assist them in preparation before attempting to respective exams. These IT Certification brings with it industry recognition, improved job opportunities, and improved pay. Folks who want to self-study for a certification can do so. They don't have to go to any other place to get trained. **Automechano Technologies** Training that leads to IT certification is cheaper and of a shorter duration than comparable degree programs. IT certifications allow an individual to focus on a topic of interest without HAVING to take non-essential courses. The IT & Communication certification process is job- and skills-oriented. Students and Candidates learn how to do a task, how to troubleshoot a problem, and how to reason through a design. It is real-world oriented. It is not an ivory tower exercise in killing time.

General Idea - The IT training and certification industry is open to people of all ages and backgrounds. Anyone who wants to change careers, wants to learn new skills, and is willing to learn and work hard can be successful in IT. Students/ Candidates those who are 18 years old or 80 years old, you can have a good career in IT through the certification options available.

**Facts:**

- **86%** of hiring managers indicate IT certifications are a **high or medium priority** during the candidate evaluation process. (CompTIA, *Employer Perceptions of IT Training and Certification*, January 2011).
- **8 in 10** HR execs verify certifications among job candidates. (CompTIA, *Employer Perceptions of IT Training and Certification*, January 2011).
- **91%** of hiring managers consider certification as part of their hiring criteria. (Microsoft, *Microsoft Certification Program Satisfaction Study*, April 2012).
- **64%** of IT hiring managers rate certifications as having **extremely high or high value in validating the skills and expertise** of job candidates. (CompTIA, *Employer Perceptions of IT Training and Certification*, January 2011)
- **Certification, Training and Experience** are three of the top four **most important characteristics** when selecting a candidate for a cloud-related position. (IDC/Microsoft, *Climate Change: Cloud's Impact on IT Organizations and Staffing*, November 2012)

**Challenge** - The only confusing and difficult part of Certifications is that, the certification process can cost a high amount in terms of finances and time. Most of the available certifications can be earned through experience and self-study, while some require high-cost instructor-led training. There are too many certifications available and student or candidate needs to decide this by them self.

**Companies Who Offer** – Apple, Black Berry, CompTIA, EMC2, Redhat Teradata, Oracle, Microsoft, IBM, Google, Planet 3 Wireless, Cisco Systems, TCS, Magento, Zend and other Global Brands.

φ. **Placement Drive for Final Year Students:**

This facility can be availed by the students those who have gone through proper training and project development work. **Automechano Technologies** will assist Placements for all such respective students into own (**Automechano Technologies**) and associate Companies. This doesn't intent that it brings any sort of assurance of Students placement. IT-NetworkZ and its associates do not guarantee about placements and joining.

**WHEREAS**

The **PBCE** has decided to recognize **Automechano Technologies** an approved Institution as decided by the Syndicate of the Board and to recognize to conduct various Industries/Job oriented para-professional courses under the approved institution of On campus/Off campus paraprofessional programme centers/Transfer of Technology and research programme center in collaboration with **Automechano Technologies**.

The parties have had preliminary discussions in this matter and have ascertained areas of broad consensus. The parties now, have therefore, agreed to enter in writing these areas of consensus, under a Memorandum of Understanding.

Now this Memorandum of Understanding witnesses that: The **Automechano Technologies** (approved Institution) shall offer the above listed training and Services as approved by the PBCE for Department of Electronics & Communication Engineering. The training fees of the respective courses may be fixed and revised as and when required by the mutual consent of the PBCE and **Automechano Technologies** (approved institution).

### 3. CONFIDENTIALITY

- a. During and for a period of Four years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
