SUMMARY

Experiential and Project based learning of students through design, innovation and fabrication of Go kart in College workshop.

Context: Our Institute always give stress on experiential, participative and project based learning. The experiential and project-based learning offer numerous benefits, including active engagement, practical application, critical thinking, real-world relevance, collaboration, integrated learning, and self-directed learning. Students who participate in experiential learning feel empowered to use their knowledge and skills in contexts that will aid in their career development. Experiential learning also provides individuals with transferrable skills such as creativity, innovation, team collaboration, problem-solving, and critical thinking.

Objective:

- To inculcate the habit of learning by doing process.
- To engage students in hands-on experiences and reflection.
- To connect theories and knowledge learned in the classroom to real-world situations.
- To imbibe team work and leadership sprit.

Practices

In the year 2018, our students embarked on a truly impressive venture by constructing a Go-Kart from scratch. This Endeavour was a testament to the team's dedication and ingenuity, as they meticulously assembled this marvel using a diverse range of raw materials and an assortment of components sourced from our college workshop. The year 2018 was a year of distinction for MECHEETAH. Not only did they breathe life into the Go-Kart, but they also participated in the highly competitive National Level Go-Kart Competition 2018, which took place in Coimbatore and Hyderabad. In these prestigious competitions, MECHEETAH displayed their prowess, determination, and exceptional teamwork, ultimately securing an impressive **5th position in National level competition 2018**. In an era where the landscape of education is evolving at a rapid pace, it is the dedication, determination, and achievements of our students that define our institution.

In the year 2019, the MECHEETAH team once again ventured into the exhilarating world of engineering and competition by participating in the National Level Go-Kart Competition 2019. In this remarkable year, the MECHEETAH team showcased not only their unwavering commitment but also their ever-evolving skills and innovation. Against fierce competition, they reached new

heights by securing the **3rd position in the national competition 2019**. It is a rare occurrence when a team not only consistently participates in challenging competitions but also consistently excels, all while maintaining their self-reliance. This remarkable journey demonstrates that our institution is a breeding ground for innovation and unwavering determination.

In continuation to this in 2019 our indomitable MECHEETAH team yet again took the centre stage at the National Level Go-Kart Competition. This year marked a new zenith in the MECHEETAH journey. Their unwavering commitment to innovation and continuous improvement propelled them to an astonishing achievement - they secured the **second position in the fiercely competitive national competition 2020**.

In the year 2023, a remarkable chapter was penned by the students of the Mechanical and Information Technology Departments. Their unwavering commitment to innovation and their relentless pursuit of excellence led to the creation of a groundbreaking Go-Kart, laden with new and visionary innovations. This Go-Kart was more than just a vehicle; it was a testament to the limitless potential and ingenuity that thrives within our institution. The crowning glory of this journey was the team's participation in the **esteemed RACY Academe, a National Level Go-Kart Event held in Coimbatore from 01/02/2023 to 02/02/2023**. The result was nothing short of extraordinary; the MECHEETAH team secured the **prestigious Runner-up position in National Level Go-Kart competition 2023**. The MECHEETAH team clinched a total of five coveted prizes at the event. These prizes include:

- 1) **Overall Runner-up:** An acknowledgment of their all-encompassing excellence, from innovation to execution.
- 2) **Best Business Plan:** Demonstrating their strategic vision and understanding of market dynamics.
- 3) **Best Innovation:** A recognition of their groundbreaking and revolutionary concepts.
- 4) **Best Build Quality:** A testament to their engineering prowess and dedication to perfection.
- 5) **Best Faculty:** Acknowledging the invaluable guidance and mentorship received from our exceptional faculty.

In continuation the remarkable MECHEETAH team extended their legacy of excellence by participating in the highly competitive GOKART competition - the **EDGE LINE CHAMPIONSHIP, held from 17/02/2023 to 19/02/2023 in Pune**. The result was **A well-deserved 3rd position in the competition**. The MECHEETAH team, with their innovative approach and exceptional dedication, clinched four distinguished prizes, including:

- 1) **Endurance Runner-up:** A testimony to their determination and their Go-Kart's ability to withstand **the test of time**.
- 2) **Overall 2nd Runner-up:** A reflection of their consistent brilliance in an array of categories.
- 3) **Valuable Participation:** An acknowledgment of their impactful presence and contribution to the competition.
- 4) **Best Innovation:** A recognition of their forward-thinking ideas that continue to revolutionize Go-Kart design.

5) Dronacharya Award: A reflection of the mentorship and guidance provided by our exceptional faculty.

Further MECHEETAH was selected to participate in the **highly esteemed GKDC National Level Go-Kart Competition**, a beacon for budding engineering talents. This grand event took place from **10/04/2023 to 14/04/2023 at Kari Motors, Coimbatore, Tamil Nadu**, and it drew participants from across the nation. The team received a standing ovation-worthy performance! MECHEETAH secured not one but two highly prestigious awards at the competition. The "**Best Team Award**" is a reflection of their seamless teamwork, determination, and a spirit of unity that sets them apart. It is an acknowledgment of their ability to work harmoniously, showcasing the ideal team spirit and resilience needed for success. The "**Skidpad Award**" is a testimony to their profound understanding of vehicle dynamics and stability, a critical facet of Go-Kart engineering. It speaks to the core ethos of our institution, where students are not only encouraged to dream but also to relentlessly chase those dreams, regardless of financial challenges.

The outcome of this activity is in 2023 our students established GO Kart Innovation Workshop in the college campus which proves to be the centre of attraction to all newly admitted students.

MECHEETAH is a shining example of what can be achieved when passion meets perseverance, when innovation meets dedication. While celebrating this incredible achievement, we are looking forward to even more remarkable feats in the future, inspiring and nurturing the next generation of innovators and engineers.

Set-up of Kart Innovation Workshop

Go-Kart Innovation Lab

Introduction

The Go-Kart Innovation Lab stands as a hub of creativity and technological advancement, offering a unique space for innovation and hands-on learning. In this report, we aim to provide you with a comprehensive overview of this dynamic facility, its objectives, and the scope of its activities. Our journey will delve into the lab's design and interior, the recognition it has garnered, the remarkable innovations and projects developed within its walls, the purpose of its crafting room, and its broader impact on education and innovation. This report offers a window into the vibrant world of the Go-Kart Innovation Lab and its valuable contributions to our institution and the community at large.

Lab Design and Interior

The Go-Kart Innovation Lab boasts a carefully curated design that harmonizes aesthetics with functionality. The lab's layout is organized to foster creativity and collaboration among students and researchers.

Design Elements and Layout:

The lab features ergonomic workstations with cutting-edge equipment and tools that cater to various aspects of Go-Kart design and fabrication. The layout encourages a seamless flow of ideas, with dedicated areas for brainstorming, prototyping, and testing. These zones are strategically positioned to enable efficient communication and project development.

Color Scheme (Orange and Gray):

The choice of colors plays a crucial role in the lab's ambiance. The dynamic combination of orange and gray has been purposefully selected. Orange signifies enthusiasm, creativity, and innovation, motivating lab occupants to explore new horizons. Gray, on the other hand, provides a neutral backdrop that enhances the visibility of intricate components and details, fostering a focused and professional environment.

Crafting Room

The crafting room within the Go-Kart Innovation Lab is a dedicated space designed for precision work and the meticulous assembly of components. It serves a crucial role in the overall workflow of the lab, where innovation takes physical form. Here's a breakdown of its purpose and functionality:

Purpose and Functionality:

The crafting room is a controlled environment specifically tailored for detailed assembly, fine-tuning, and the integration of components into the Go-Kart. Its controlled conditions minimize external interference and ensure the utmost accuracy in crafting, testing, and prototyping. Within this room, students and researchers can focus on intricate tasks such as fabricating chassis components, assembling engines, and meticulously aligning vital elements. It's where ideas materialize into tangible, high-performance Go-Karts.

The crafting room's purpose is to empower our team members to engage in precise craftsmanship, ultimately leading to the creation of high-quality, performance-driven Go-Karts. This dedicated space is a testament to the lab's commitment to excellence and innovation in Go-Kart engineering.

Impact and Significance

Impact on Education and Innovation:

The Go-Kart Innovation Lab has made profound contributions to both education and innovation. It serves as an incubator for budding engineers, offering hands-on experience and a platform for applying theoretical knowledge to real-world projects. Students who engage with the lab are exposed to practical problem-solving, project management, and teamwork. This experiential learning enriches their education and equips them with the skills necessary for a competitive job market.

Innovation is at the core of the lab's mission. By fostering a creative environment, the lab has become a breeding ground for novel ideas and advancements in Go-Kart engineering. It encourages students and researchers to push boundaries, experiment with new technologies, and develop groundbreaking solutions that enhance Go-Kart performance and safety.

Significance within the Institution and Community:

The Go-Kart Innovation Lab holds immense significance within our institution and the broader community. Within the institution, it stands as a symbol of academic excellence and innovation. Its influence extends beyond engineering departments, inspiring interdisciplinary collaborations and setting a precedent for hands-on learning.

In the community, the lab serves as a center for outreach and engagement. It offers workshops and training sessions for local schools and colleges, nurturing interest in engineering and motorsport among young minds. The lab's achievements have drawn positive attention to our institution, enhancing its reputation and highlighting its commitment to practical education.

Overall, the Go-Kart Innovation Lab represents a nexus of education, innovation, and community engagement. Its impact on education and the community, combined with its significance within the institution, underscores the vital role it plays in shaping the engineers and innovators of tomorrow.

Go Kart Design Challenge (GKDC)

Date:

10/04//2023 – 13/04/2023

Championship Location:

The stage for our pulse-pounding Go-Kart Championship was none other than the iconic **Kari Motor Speedway Racetrack**, nestled at Hettipalayam Road in Chettipalayam, Tamil Nadu, 641201. With its winding turns and thrilling straights, this world-class racing venue served as the perfect arena for our high-octane competition. It's where speed, precision, and passion united to create an unforgettable racing spectacle.

Championship Description:

The GKDC Competition held in Coimbatore from April 10, 2023, to April 13, 2023, at the Kari Motor Speedway on Chettipalayam Road, Tamil Nadu, marked an extraordinary display of engineering prowess and innovation. Under the guidance of Dr. Akshay Anjekar, Team Mecheetah 1.0 embarked on a mission to exhibit their mastery in Go-Kart design and construction. Their objective was to excel across various categories at the GKDC competition.

The fruition of their relentless dedication and innovative spirit manifested in remarkable outcomes. Team Mecheetah 1.0 clinched the prestigious Best Skidpad Award and achieved an impressive 3rd place overall. The students showcased their exceptional skills and innovation in designing and building a Go-Kart that excelled across diverse categories.

This competition provided a vital platform for the students to demonstrate their talent, creativity, and gain invaluable experience in the realms of engineering and automotive design. The culmination of their tireless efforts was met with well-deserved recognition and appreciation from the esteemed judges and organizers of the competition, reaffirming their profound contributions to the event.

Certificates:

The certificate features a central graphic of a go-kart driver on a track, flanked by laurel wreaths, with a banner below reading "10th GKDC". The main title "CERTIFICATE OF PARTICIPATION" is prominently displayed. The recipient's name, "MR RITESH HEMRAJ BHALEKAR", is highlighted in orange. The text describes his participation in the "10th GO KART DESIGN CHALLENGE - CV CATEGORY" organized by ISNEE Motorsports Private Limited at Kari Motor Speedway, Coimbatore, from April 10-13, 2023. The certificate is signed by Dr. RK Singh and Mr. Brij Kishor, with the date 17 April, 2023.

Edgeline Championship

Date:

17/02/2023 – 19/02/2023

Championship Location:

The stage for our electrifying Go-Kart Championship was none other than the iconic Traffic Park, PCNDTA, Pune. This dynamic venue provided the perfect setting for our thrilling competition, where speed, precision, and passion converged to create an unforgettable racing spectacle.

Championship Description:

The Edgeline Championship in Pune, held from February 17 to February 19, 2023, at Traffic Park, PCNDTA, marked an exceptional confluence of engineering expertise and innovation. Led by Dr. Akshay Anjekar, the event's coordinator, Team Mecheetah 1.0 embarked on a quest to exhibit their mastery in Go-Kart design and construction. Their goal was to excel in multiple categories at the GKDC competition.

The resounding outcome of their endeavors bore testament to their exceptional commitment. Team Mecheetah 1.0 emerged victorious, claiming accolades such as the Best Innovation Award, Best Business Plan Award, Runner-Up position, and the esteemed Best Dronacharya Award. These achievements underscored the team's relentless hard work and innovative spirit.

Beyond the awards, this journey enriched team members with invaluable experience and skills poised to shape their future careers. Additionally, their triumph brought well-deserved recognition to their college and instilled a profound sense of pride within the faculty and student body, marking a significant milestone in their collective journey.

Racy Academy & Club for Youth

Date:

01/02/2023 – 02/02/2023

Championship Location:

The stage for our pulse-pounding Go-Kart Championship was none other than the iconic **Kari Motor Speedway Racetrack**, nestled at Hettipalayam Road in Chettipalayam, Tamil Nadu, 641201. With its winding turns and thrilling straights, this world-class racing venue served as the perfect arena for our high-octane competition. It's where speed, precision, and passion united to create an unforgettable racing spectacle.

Championship Description:

The Racy Academy & Club for Youth, hosted at the renowned Kari Motor Speedway Racetrack on Hettipalayam Road in Chettipalayam, Tamil Nadu, witnessed an extraordinary display of talent and innovation. Team Mecheetah 1.0's participation was nothing short of spectacular as they left an indelible mark on this event.

Securing the Best Innovation Award, Best Business Plan Award, Best Faculty Award, and Best Build Quality Award, Team Mecheetah 1.0 showcased their excellence in diverse categories. Their second-place finish overall was a testament to their dedication and exceptional skills.

The students demonstrated their ingenuity in designing and constructing a Go-Kart that excelled in every aspect. This competition provided them with a platform to exhibit their talent, creativity, and gain invaluable experience in the fields of engineering and automotive design.

The culmination of their hard work and unwavering dedication earned them well-deserved recognition and appreciation from the judges and organizers of the competition. The event not only celebrated their achievements but also underscored their institution's commitment to nurturing talent and fostering innovation in the automotive industry.

Bharath formula karting (BFKCT) - Season 3

Date:

10/09/2019 – 13/09/2019

Championship Location:

The stage for our pulse-pounding Go-Kart Championship was none other than the iconic **Kari Motor Speedway Racetrack**, nestled at Hettipalayam Road in Chettipalayam, Tamil Nadu, 641201. With its winding turns and thrilling straights, this world-class racing venue served as the perfect arena for our high-octane competition. It's where speed, precision, and passion united to create an unforgettable racing spectacle.

Championship Description:

Team MECHEETAH, with the formidable KART NO 51, embarked on an exhilarating journey at the prestigious Go-Kart Championship held from September 10, 2019, to September 13, 2019. The competition served as the ultimate proving ground for skill, precision, and innovation, where racing excellence was celebrated.

In this challenging competition, Team MECHEETAH distinguished itself with remarkable achievements. They were honored with the prestigious Dronacharya Award, recognizing their outstanding contributions to the world of karting. Additionally, the team's dedication and prowess were exemplified through the Best Driver Award, a testament to their exceptional skills behind the wheel.

Throughout the championship, MECHEETAH demonstrated their mechanical expertise, achieving excellence in wheel dismantling. Their performance was remarkable, securing them the 3rd Runner-up position in the highly competitive 130cc category.

The accolades and recognition didn't stop there. Team MECHEETAH's exceptional achievements were further underscored by the cash prizes they earned. They received a cash award of INR 15,000 as the 3rd Runner-up, in addition to INR 7,500 for their outstanding wheel dismantling performance.

This championship journey showcased not only Team MECHEETAH's unwavering commitment but also their remarkable talent and competitive spirit. It is a testament to the indomitable spirit of excellence that our institution instills in its students, where they consistently rise to the challenge and set new standards of achievement. As they continue to navigate the fast-paced world of karting, we look forward to their future successes and the legacy they will create.

Bharath formula karting (BFKCT) - Season 2

Date:

28/02/2019 – 2/03/2019

Championship Location:

The stage for our pulse-pounding Go-Kart Championship was none other than the iconic **Kari Motor Speedway Racetrack**, nestled at Hettipalayam Road in Chettipalayam, Tamil Nadu, 641201. With its winding turns and thrilling straights, this world-class racing venue served as the perfect arena for our high-octane competition. It's where speed, precision, and passion united to create an unforgettable racing spectacle.

Championship Description:

From February 28, 2019, to March 2, 2019, the iconic Kari Motor Speedway Racetrack set the stage for the second season of the Bharath Formula Karting Championship (BFKCT), powered by CADD Technologies School of Design Pvt. Ltd. This event, known as BFKCT, serves as a platform to nurture the talents and knowledge of students in the emerging and passionate field of Motorsport Engineering.

BFKCT provides an opportunity for budding engineers to transform their theoretical knowledge and technical skills into practical reality. This season witnessed participation from multiple states, including Tamil Nadu, Maharashtra, West Bengal, Karnataka, Telangana, Andhra, and Kerala.

In Season II, BFKCT garnered registrations from 110 teams for IC engine karts and 10 teams for electric karts, totaling 1850 team members. An impressive 65 teams actively participated in the IC engine category, while 5 teams showcased their skills in E-karts.

Furthermore, the event aimed to provide students with career opportunities, as approximately 30 companies came forward to offer placement opportunities. The season took place at the prestigious Kari Motor Speedway, renowned for its Formula 3 racing circuit.

BFKCT Season 2 was not just a competition but an educational and professional platform, where students had the opportunity to explore and excel in the realm of Motorsport Engineering.

Bharath Formula Karting (BFKCT) - Season 2 Report

Event Title: Bharath Formula Karting (BFKCT) - Season 2

Event Date: February 28, 2019, to March 2, 2019

Event Venue: Kari Motor Speedway Racetrack

Event Coordinator: Dr. Akshay Anjekar

Objective: BFKCT Season 2 aimed to provide students with a platform to showcase their engineering and motorsport talents. The objective was to foster knowledge and skills in the field of Motorsport Engineering and encourage students to apply theoretical knowledge to practical motorsport endeavors.

Outcome: In this thrilling season of BFKCT, Team Mecheetah not only showcased their engineering prowess but also secured the prestigious Best Autocross Award. This achievement highlighted their exceptional maneuvering skills and control on the track, underlining their commitment to excellence and innovation in the realm of Go-Kart racing. The event also witnessed participation from multiple states, demonstrating the growing interest and enthusiasm in Motorsport Engineering among students from across the nation. The BFKCT Season 2 was a testament to the dedication, hard work, and achievements of young motorsport enthusiasts.

Students Kart Design Challenge - Season 2

Date:

17/09/2019 – 20/09/2019

Championship Location:

In the vibrant city of **Hyderabad**, under the skilled stewardship of the esteemed Society of Mechanical & Automotive Engineers, our Go-Kart Championship unfolded. Hyderabad's dynamic energy and the commitment of this respected society made it the perfect stage for an event that celebrated innovation, engineering, and the pursuit of excellence.

Championship Description:

In the vibrant city of Hyderabad, hosted by the esteemed Society of Mechanical & Automotive Engineers, the MECHEETAH team of our Mechanical Engineering department embarked on an exceptional journey. From September 17, 2019, to September 20, 2019, they showcased their unwavering commitment, evolving skills, and innovation by participating in the National Level Go-Kart Competition.

Despite the financial challenges, our dedicated students managed to secure a remarkable 3rd position in the national competition, a testament to their determination and talent. In the virtual round, MECHEETAH earned an impressive 305 points, contributing to their total score of 360 points. This remarkable journey underscores our institution's role as a breeding ground for innovation and unwavering determination, where students dare to dream and achieve national recognition. As we celebrate this achievement, we eagerly anticipate your continued support as we nurture these bright minds for a brighter future.

MECHEETAH's journey, despite financial constraints, exemplifies the institution's ethos of excellence. This accomplishment is a testament to the dedication and talent of our students, who managed to secure a remarkable 3rd position in the national competition. Bharath formula karting (BFKCT) - Season 1

Date:

2/08/2018 – 4/08/2018

Championship Location:

The stage for our pulse-pounding Go-Kart Championship was none other than the iconic **Kari Motor Speedway Racetrack**, nestled at Hettipalayam Road in Chettipalayam, Tamil Nadu, 641201. With its winding turns and thrilling straights, this world-class racing venue served as the perfect arena for our high-octane competition. It's where speed, precision, and passion united to create an unforgettable racing spectacle.

Championship Description:

Team MECHEETAH 1.0, bearing the formidable KART NO 41, embarked on an exhilarating journey at the Go-Kart Championship on August 2, 2018. Day 1 witnessed us master the technical inspection, achieving an impressive feat as we flawlessly passed through the scrutiny from 1:15 pm to 1:35 pm.

As the day drew to a close, our kart roared to life during the Static Round (CAE) from 10:00 pm to 10:20 pm, revealing a masterpiece of engineering and innovation.

Day 2 brought forth our business prowess, where we presented our strategic vision during the Business Plan session from 1:30 to 2:00 pm.

The grand finale on Day 3 featured the ultimate test of Endurance and presentation, where we navigated the grueling laps and showcased our racing finesse. In this fierce battle among 56 remarkable teams, Team MECHEETAH 1.0 proudly clinched the 7th position, demonstrating our commitment to excellence.

With a remarkable score of 841.76 points, we etched our name into the annals of this championship, a testament to our unwavering passion, precision, and relentless pursuit of speed. In the world of karting, we emerged as true MECHEETAHs.

Bharath Formula Karting (BFKCT) - Season 1 Report

1. Event Title: Bharath Formula Karting (BFKCT) - Season 1

2. Event Date: August 2, 2018 - August 4, 2018

3. Event Venue: Kari Motor Speedway Racetrack

4. Event Coordinator: Dr. Akshay Anjekar

5. Objective:

The primary objective of Team MECHEETAH 1.0 was to demonstrate their exceptional skills and innovation in the design and construction of a high-performance Go-Kart. Their aim was to excel across various categories at the BFKCT competition.

6. Outcome:

The grand finale on Day 3 presented the ultimate challenge of Endurance and Presentation. It was a test of skill, precision, and racing finesse, as teams navigated the grueling laps. In this intense showdown among 56 remarkable teams, Team MECHEETAH 1.0 secured an impressive 7th position, firmly establishing their commitment to excellence.

With an outstanding total score of 841.76 points, Team MECHEETAH 1.0 left an indelible mark on the championship, proving their unwavering passion, precision, and relentless pursuit of speed. They emerged as true MECHEETAHs in the competitive world of karting. This achievement is a testament to their dedication and unyielding spirit in the face of formidable competition.
