## Summary of Guest Lecture

Department of Computer Science and Engineering had organized guest lecture on “Cyber Security and Cyber Crimes” for third year BE (CSE) and IT students. Expert for this seminar was **Mr. Shrikant Ardhapurkar, CEO, Crypto Forensics Technology, Nagpur.**

In this seminar expert started with basic interaction with students regarding their perception of cyber security. Expert started the seminar with the insight into basic cyber crimes and various cyber laws in force. He also share an example of how hacker can hack our bank account by using our personal information and spam mails.

The Principal of Institute, **Dr. N. K. Choudhari**, appreciated the exposure to this activity. Dean Academics **Dr. (Mrs). A. R. Chaudhari**, motivated the students to take initiative in such technical events. Head of CSE Departments **Mr. K. N. Hande** and Head of IT Dept. **Mr M S Chaudhari** congratulate the students for their active participation. Mr D B Khadse and Ms D P Radke coordinated this activity.

## Interaction of Expert with Students
