Priyadarshini Bhagwati college of Engineering, Nagpur focuses on the overall development of the students by introducing co-curricular activities like industrial visits along with rigorous academic curriculum.

This time Mechanical Engineering Department arranged Industrial Visit at **Arunoday Industries and Alka Industries, Butibori, MIDC, Nagpur** on date **13 Oct 2023** for V and VII semester students. Students were enlightened about the actual implementation of the theories in their regular curriculum. The student-employee interaction further developed greater sense of enthusiasm between both.

The visit was organized under the guidance of Hon. Principal **Dr. N. K. Choudhari** and HOD of Mechanical Department **Prof S. M. Pimpalgaonkar**. Along with the staff members, students have taken hard efforts and initiative under the continuous guidance of **visit incharge Prof. S. G. Ghugal** and **Prof. R. K. Bhoyar**, teaching faculty of Mechanical Department accompanied with this industrial visit.

Total 55 students of 5th and 7th semester B.Tech (Mechanical Engg.) along with 2 faculty members have joined this industrial visit.

It was a good experience, which has provided exposure to the students with industrial life. The students are benefited in terms of the technical details provided by the company on an important part of automobile.

The students of 5th and 7th semester and all the staff members have enjoyed the technical endeavor at the organizations a lot. The company persons also appreciated our students after the question answer sessions. Visit seems to be very informative and gives good learning experience.

No.of students visited: 55
