Academic Session 2018-19

Report of Plantation of Sapling

Continuing with its tradition of preserving environment and having eco-friendly activities, NSS cell of Priyadarshini Bhagwati College of Engineering conducted tree Plantation programme in the college campus, Panchwati Vrudhashram, near Bada Tajbagh and Hanuman Temple, Chitnis Nagar, Nagpur. The programme was inaugurated by Dr. N.K.Choudhari, Principal, Dr.(Mrs) A.R. Chaudhri, Dean Academic, Ms.D.M.Kate, Head of EC Department, Prof.S.M.Pimpalgaonkar, Head of Mech. Department, Mr.V.Barapatre, Registrar, Dr.(Mrs.) A.R.Golhar, and Prof. D.B.Khadse, NSS Coordinator. NSS coordinator and students undertook plantation drive.

Trees are important, necessary and valuable to our very existence. It's not too hard to believe that without trees we humans would not exist on this beautiful planet. Unfortunately, our need for trees is more than ever. While science and technology has provided us with many comforts, the consequent urbanization and industrialization also has had some undesired side-effects, Global Warming being one of those. The NSS cell of Priyadarshini Bhagwati College of Engineering has identified this problem and has associated itself with this case. Thereby, the NSS conducts a plantation drive each year.

Around more than 100 saplings were planted on the occasion. All in all, this event served the dual purpose of education and entertainment for the students besides also contributing to the welfare of nature.
