Trees are important, necessary and valuable to our very existence. It's not too hard to believe that without trees we humans would not exist on this beautiful planet. Unfortunately, our need for trees is more than ever. While science and technology has provided us with many comforts, the consequent urbanization and industrialization also has had some undesired side-effects, Global Warming being one of those. The NSS cell of Priyadarshini Bhagwati College of Engineering has identified this problem and has associated itself with this case. Thereby, the NSS conducts a plantation drive each year.

More than 100 sapling were planted in college and surrounding area of campus.Total 175 Students participated in Tree Plantation activity from all Departments (CSE/IT/EC/CIVIL/Mechanical). Mr. D.B.Khadse,Incharge of NSS, Mr. P.Arekewar, Mr. N.Panchkawade , Mr.T.R.Patil and Mr. R.Bhoyar NSS Cell Faculty member monitored plantation drive.Students and staff actively participated in

plantation drives to make their surrounding green. this event served the dual purpose of education and entertainment for the students besides also contributing to the welfare of nature.

Activity Organized by	NSS CELL, Priyadarshini Bhagwati College of Engineering
Summary of NSS Activity	<p>Mahatma Gandhi had rightly said, "Sanitation is more important than Independence". He was aware of the pathetic situation of Indian rural people at that time and he dream of a clean India where he emphasized on cleanliness and sanitation as an integral part of living. India that is Bharat is an ancient civilization. It is considered to be a pious nation. India is consists of people of various faiths; Hindus, Muslims, Christians, Shikhs, Parsis, Jains etc, and they follow their faiths very devotedly. But it is a sad reality of our country that all the cleanliness and piousness is only confined to religious activities or kitchen. We Indians are not concerned about the filth all around us everywhere; anywhere one looks large mounds of dirt will be found.</p> <p>To addressed this problem, NSS Cell of Priyadarshini Bhagwati College of Engineering organized Cleanliness Drive under Swachh Bharat Abhiyaan Programme. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Under this programme, students from all the branches took active participation in drive. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean soorunding area of Sakkardara lake and Chota Taj Bagh.</p> <p>The Principal of Institute, Dr.N.K.Choudhari has appreciated efforts of NSS Cell and addressed the all students of college to maintain cleanliness in campus as well as outside surrounding areas.</p>
