NSS CELL ACTIVITY

Activity Name	International Yoga Day
NSS Coordinator	Prof. D.B.Khadse
NSS Faculty Member	Prof.R.Bhoyar,Prof.T.R.Patil
Date	21-06-2021
Time	8.00 am to 9.00 am
No. of student attended	95
Activity Organized by	NSS CELL, Priyadarshini Bhagwati College of Engineering
Summary of NSS Activity	<p>National Service Scheme unit of Priyadarshini Bhagwati College of Engineering celebrated International Yoga Day. NSS Cell conduct online training session on “Yoga for Fitness” for students and teaching faculties. On this Occasion Ms. Prajakta Lekurwale, Yoga Instructors shared their valuable guidance and given training about Yoga to students and faculties. Students and teachers practiced yoga for 1.00 hrs.</p> <p>Event was organized by Prof. D.B. KHADSE, NSS Programme officer. NSS Student members Mr. Sidhlesh Pawar, Mr. Suvidhnya Dondalkar, Mr. Pratik Kapse, Ms. Dhanshree Lokhande, Ms. Sakshi Chaware and other NSS Student Volunteers participated in event actively.</p> <p>The Principal of Institute, Dr. N.K. Choudhari has appreciated efforts of NSS Cell and expressed that “Yoga is the best medicine for maintaining both mental and physical health. It can cure many diseases that are not curable only by consuming modern medicines.</p>

Academic Session 2021-22

Report of Plantation of Sapling

Continuing with its tradition of preserving environment and having eco-friendly activities, NSS cell of Priyadarshini Bhagwati College of Engineering conducted tree Plantation programme in online mode. Due to lockdown college is shut down for faculty and students, so NSS Cell organized Tree plantation activity in online mode. The programme was inaugurated at the hand of Dr. N.K. Choudhari , Principal, Dr.(Mrs) A.R. Chaudhri, Dean Academic , PBCOE. College provides the plant sapling to student and student plant the sapling at their own home. Student send the selfie of plantation in college NSS, following all protocols of Corona-19.

Trees are important, necessary and valuable to our very existence. It's not too hard to believe that without trees we humans would not exist on this beautiful planet. Unfortunately, our need for trees is more than ever. While science and technology has provided us with many comforts, the consequent urbanization and industrialization also has had some undesired side-effects, Global Warming being one of those. The NSS cell of Priyadarshini Bhagwati College of Engineering has identified this problem and has associated itself with this case. Thereby, the NSS conducts a plantation drive each year.

More than 50 saplings were planted in college and surrounding area of campus. Total 175 Students participated in Tree Plantation activity from all Departments (CSE/IT/EC/CIVIL/Mechanical). Mr. D.B.Khadse ,Incharge of NSS, Mr. P.Arekewar , Mr.T.R.Patil and Mr. R.Bhoyar. plantation drives to make their surrounding green.

Is meat healthy?

- Genetic manipulation, unhygienic conditions of poultry farms
- Nitrates, saturated fats, and salt – red meat is filled with things we are told to avoid
- Farmed fish are kept in filthy and toxic conditions with no space to swim.
- As fish live and eat in our waterways that are polluted with raw sewage, runoff from animal agriculture, harmful chemicals, microplastics, and trash, mercury accumulates in their systems.
- Zoonotic diseases like SARS, Covid 19, Bird-flu, Swine-Flu, etc

NSS CELL ACTIVITY

Activity Name	Azadi Ka Amrit Mahotsav :- “Essay Competition”
NSS Coordinator	Prof. D.B.Khadse
NSS Co-coordinator	Prof.R.Bhoyar
Date	25-12-2021
No. of Students Attended	12
Activity Organized by	NSS CELL, RTM Nagpur University
Summary of NSSActivity	<p style="text-align: center;">Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements. This Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India thus far in its evolutionary journey but also hold within them the power and potential to enable Prime Minister Narendra Modi's vision of activating India 2.0, fuelled by the spirit of Aatmanirbhar Bharat.</p> <p style="text-align: center;">NSS Cell of PBCOE organize essay competition on the occasion of “Azadi ka Amrut” Mahotsav celebrating 75 years of India's Independence in affiliation with Government of India. Topic for essay competition is “Mere Sapno ka Bharat: vision 2047” and “Swatantrata Sangram ke sthayik Nagrik”. Students from all department actively participate in this event and submit softcopy to NSS Cell of RTMNU.</p> <p style="text-align: center;">The Principal of Institute, Dr. N.K.Choudhari has appreciated efforts of NSS Cell students member for active participation in this activity. Prof.D.B.Khadse , NSS cell In-charge monitor the wholeactivity.</p>

AZADI KA AMRIT MAHOTSAV

'Azadi ka amrut mahotsav' means the 'Elixir of the energy of freedom'. Freedom is a precious gift of our freedom Fighters, Let's celebrate this Azadi ka Amrit Mahotsav together.

Azadi ka Amrit Mahotsav means the festival of completing 75 years of Independence of the country. As you know that 15th August 1947 was the historic day when our country got freedom from the rule of Britishers. The Azadi ka amrit Mahotsav was started on 12 March 2021 by prime minister Narendra Modi ji on the completion of 91 years of Dandi March . This Mahotsav will continue till 15 August 2023. The aim of celebrating azadi ka amrit Mahotsav is to create a vision for India in 2047.

Azadi ka amrit mahotsav is being celebrated on the basis of five pillars i.e. Struggle for independence, ideas of 75 years. Achievements of 75 years and resolution of 75 years. Apart from this Mahotsav. The young generation has to be made aware of the achievements, action, resolutions of the country in 75 years so that it will inspire them to move forward and to realize the dreams of an independent india. Azadi ka amrit mahotsav is a tribute to our freedom fighters and freedom movements.

The Amrut Mahotsav of freedom is the nectar of the energy of freedom, that is, the nectar of inspiration of the freedom fighter. The nectar festival of freedom means the nectar of new ideas, new resolutions, the nectar of self-reliance. To understand the nectar festival of freedom, it is necessary to know the meaning of the nectar festival.

There are three pillars of the nectar festival of independence;

- The struggle for independence new ideas for the progress of the nation on the occasion of the 75th anniversary of independence.
- The achievements achieved on the 75th anniversary of independence.
- The resolution made by the citizens of the country on the 75th anniversary.

The official journey of 'AZADI KA AMRIT MAHOTSAV' commenced on 12th march 2021 and till 15th August 2023 . Today, I will tell about one of the themes of azadi ka amrit mahotsav. It is 'MAKING BHARAT VISHWA GURU'. Bharath has a history of thousands of years. It has been 'THE VISWA GURU' of the world for centuries.

Now, it's the time to bring back our glory. Let's make Bharat is viewed as an exceptional country. Our country offers new solutions to modern day problem.

Let's reclaim the status of viswa guru again..

THANK YOU SO MUCH

TOPIC - मैं अपने मतदान के अधिकार का प्रयोग
करेगा क्योंकि...

" THE VOTE IS THE MOST POWERFUL
NON-VIOLENT TOOL WE HAVE "

- JOHN LEWIS

One of the most critical way that individual
can influence governmental decision-making is
through voting.

We should vote because its our right,
its an agent of change, each and every individuals
vote counts. Indians struggled to win our freedom
and we have the right to vote because of them
only. We can honour and respect our freedom
fighters and the struggle of our past generations
by voting for a better India.

Not only that, the Government of
India has made the provision for voters to
exercise their vote even if they are not happy
with any of the candidates.

NOTA stands for None Of The Above and
this is an important vote to cast for those who
are not satisfied by any of the parties standing.
NOTA votes count.

As a democratic country, India is
built on the foundations of election. Our
Parliament and Legislatures are of the people,
by the people and for the people. Voting is a

constitutional right that we are privileged to have. We take it for granted, but the constitution has given us the right to elect who we want and the right to make the change.

Your vote can play an important part in making the change. If you are unhappy with the current government, you can vote for a better one. Not voting could result in the same party mulling for another five years. At the end of the day, if the country is stuck with a bad government, it's the people to blame for voting wrong or for not voting at all.

Every vote counts. Though it seems like an endless sea of people are there to vote, every vote counts. When the national attitude changes from thinking "my vote doesn't make a difference", then the numbers increase and a multitude of people voting will make the difference. The responsibility lies on every individual.

" SOMEWHERE INSIDE OF ALL OF US IS THE POWER TO CHANGE THE WORLD "
